SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 1,200,000,000 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 120,000,000 Shares (calculated based on 10% of the aggregate nominal amount of the issued share capital of the Company) during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company, unless renewed by an ordinary resolution of the shareholders in a general meeting, either unconditionally or subject to conditions; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable law of the Cayman Islands to be held; or (iii) the date upon which such authority is revoked, varied or renewed by a resolution of the Shareholders in general meeting prior to the next annual general meeting of the Company.

REASONS OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

FUND OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Cayman Companies Law and the Listing Rules. The Cayman Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of either the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital (including share premium account and capital redemption reserve) if the Company can, immediately following such payment, pay its debts as they fall due in the ordinary course of business.

IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the consolidated financial position of the Company as at August 31, 2024, being the date of the latest published audited financial statements of the Company) if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates, has any present intention to sell any Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

No core connected person (has defined under the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

EFFECT OF THE TAKEOVER CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Huali Education Holdings Limited held 900,000,000 Shares, representing 75.0% of the issued share capital of the Company. In the event that the Directors should exercise in full the Repurchase Mandate, the shareholding of Huali Education Holdings Limited in the Company will increase to approximately 83.3% of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would result in the total number of issued shares in public hands being less than 25% (or such other minimum percentage as may be prescribed by the Stock Exchange). The Directors do not propose to repurchase Shares which would result in the total number of issued Shares in public hands being less than the prescribed minimum percentage, and are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.
